Tim Ryan, nationally acclaimed drug addiction speaker, A&E's "Dope Man," and thought leader on the opioid epidemic, will be the Keynote for the Central Region Conference on June 19, 2018. Once a successful businessman, he lost nearly everything to his heroin addiction. It was in prison that he found recovery. Ryan founded A Man in Recovery Foundation, a phenomenally successful nonprofit that's sole purpose is to facilitate free or reduced-cost recovery services to addicts and their families and is the National Outreach Director for Transformations Drug & Alcohol Treatment Center. Today, in addition to running addiction recovery groups for addicts and families, Tim is the subject of the new A&E documentary, Dope Man, reaching millions.
